Hi Peter,

Thought I'd send you my now ancient but only album, which I recorded in Austin.

Back when it came out, and it made it to the Americana chart which I thought was pretty cool for a first shot, I felt like if I could just get on a tour with Peter Case to the Tin Angels and Birchmeres around the country, I could really make something happen. Even tried approaching whoever was booking you at the time. Too bad Facebook didn't exist then, I just could've asked you.

Way back in the '90s, I saw you at the Tin Angel and you played "Mr. Tambourine Man." After the show, I asked you what you were doing on the guitar and you showed me the Drop D capo trick. That little trick opened up a whole range of possibilities, so thank you!

Have a Merry Christmas, and my best to you in the new year.

Hope you dig the songs!
